Royal Taste: The Art of Princely Courts in Fifteenth-Century China

February 26, 2016 - June 26, 2016

*Royal Taste* offers a unique glimpse into the luxurious lifestyles and religious practices of princely courts in early- and mid-Ming China (1368-1644). Organized by The Ringling, this exhibition of more than 140 works of pictorial, sculptural, and decorative arts reveals some lesser-known aspects of palatial lives, religious patronage, and afterlife beliefs of Ming princes, whose world has long been a mystery. The quality of craftsmanship and beauty of design testifies to the richness and sophistication of the art and culture of the nobility in the provinces.

Tales of the Distant Past: The Story of Hong Kong and the Chinese Diaspora (A Tribute from the Tung Wah Group of Hospitals of Hong Kong)

October 6, 2015 - October 9, 2016

Millions of Chinese have emigrated overseas since the 1850s. Although known more for its pivotal position as a port city, Hong Kong was also a gateway for the Chinese diaspora, facilitating the migration of Chinese to over 135 different countries worldwide.

*Tales of the Distant Past: The Story of Hong Kong and the Chinese Diaspora (A Tribute from the Tung Wah Group of Hospitals in Hong Kong)* explores the factors leading to this mass migration and examines the role of both Hong Kong and the Tung Wah Group of Hospitals in supporting the needs of Chinese living in Hong Kong and abroad. Established in 1870, the Tung Wah Group of Hospitals is the longest standing and largest philanthropic organization in Hong Kong. The Chinese American Museum is located in the red-bricked historic Garnier Building, located at El Pueblo de Los Angeles Historical Monument across from downtown Los Angeles' Union Station. Just follow the hanging lanterns, south of Olvera Street, to find the museum site.
