East West Players: A Writers' Gallery Reading—*Panorama*

FREE

JANM is pleased to host the East West Players' reading of *Panorama* by Prince Gomolvilas.

On a clear day in Rochester, New York, in 1871, atop an observation tower that used to stand on Mount Hope Cemetery's highest point, thousands of people witnessed a remarkable phenomenon which came to be known as "The Rochester Mirage." Several days later, a group of locals returns to the scene of the strange sight.

*Panorama* delves deep into a city's hidden history; reveals the unexpected alliance between the African-, Asian-, and Irish-American communities; and uncovers the untold stories that helped shape this nation.
