Art Salon Chinatown Presents

Made in Asian America

May 11 – July 3, 2019

Art Salon Chinatown is proud to present *Made in Asian America*, a group exhibition featuring work by contemporary Asian American artists. This exhibition will showcase a broad range of artistic engagement, practice, and inquiry across a richly varied Asian American creative community.

Participating Artists: Jennifer Ling Datchuk, Keiko Fukazawa, Clement Hanami, Iris Yirei Hu, Malisa Humphrey, Phung Huynh, Việt Lê, Sandra Low, Maryrose Cobarrubias Mendoza, Yong Soon Min, Yoshie Sakai, Samira Yamin

America looks altogether different than it did one hundred seventy years ago when the first Chinese began arriving en masse to seek life-changing opportunities in a hostile land with an identity crisis. Art Salon Chinatown is dedicated to presenting Asian American artists, as they remain underrepresented in the Los Angeles arts community, and drawing attention to the history of New Chinatown (established 1938).

A New Play by Leah Nanako Winkler

Directed by Deena Selenow

FREE

Set in Kentucky, this compelling drama centers around a Japanese American family reuniting as their matriarch undergoes cancer treatment. James, the father, is a recovering alcoholic seeking redemption. His two daughters are struggling to overcome their differences; Sophie is an ardent born-again Christian while Hiro lives the single life in New York. Vividly capturing the complexities of a familial reconciliation in the throes of a crisis, this play looks at the meaning of family and what it means to be Japanese, Southern, and more.

Leah Nanako Winkler is a Japanese American playwright from Kamakura, Japan, and Lexington, Kentucky. Her other plays include *Kentucky* (Ensemble Studio Theater, East

West Players) and *Two Mile Hollow* (Artists at Play and theaters around the country). She is the inaugural winner of the Mark O'Donnell Prize, the recipient of the 2018 Yale Prize, and a current Jerome Fellow at the Lark.

The reading is free and open to the public, but RSVPs are recommended
