Where I went the past weeks and may have heard of at the last minute

(and before, since webinars are often still available online):

Missed the Asian Expo due to health issues. Remember to stay home if you are not feeling well!

Previously:

Made an appearance at the Oshogatsu event at the JANM.

I then took the Metro to Union Station to see the display on the original Chinatown that was located where Union Station now stands.

I then crossed the street to see CAMLA and the last day of the Boba exhibit.

My photos at:

<http://ikemi.info/Graphics2024/JANM2024/index.htm>

Attended the Shogatsu celebration at Weller Court in Little Tokyo. My photos at:

[Japanese New Year at Weller Court \(ikemi.info\)](#)

Managed to get the virtual JACCC Kotohajime on my Smartphone.

Streamed the Drive My Car movie.

Finished streaming the Kurara movie about Hokusai's daughter.

Saw the Viewing Stones exhibit at the Huntington Gardens. Most crowded I've ever seen it. They must be catching on.
